MBC ROLL CLEANING ASSEMBLY

Roll cleaning is now easier, thanks to a new roll cleaning assembly developed by Maryland Brush Company.

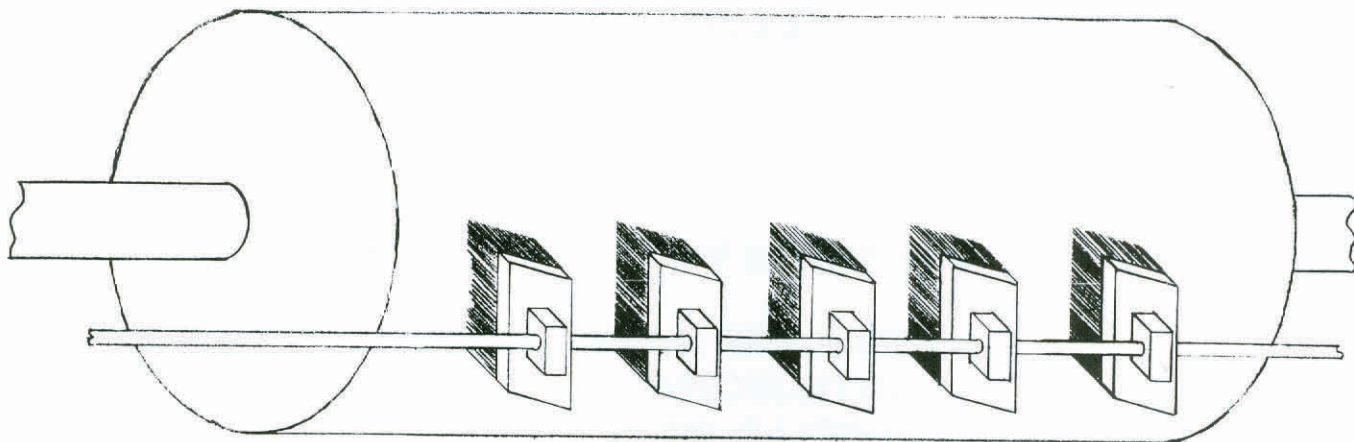

This assembly has several outstanding features:

- It can be **CUSTOMIZED** in **SIZE** and the **SELECTION** of various filaments for **ANY CLEANING OBJECTIVE**.
- It can be used on **ANY ROLLS, COATED** or **UNCOATED**.

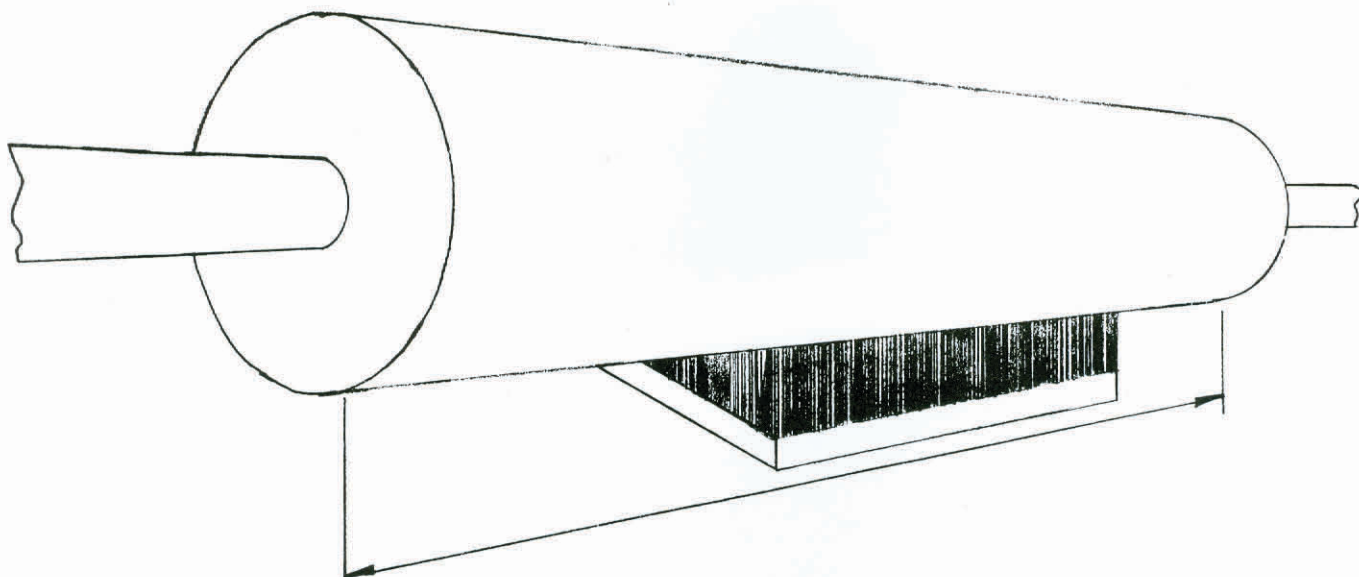

In short, **YOU SAVE DOWN TIME** and **REDUCE MAINTENANCE COSTS** by using an assembly which cleans **FASTER AND MORE EFFICIENTLY!**

Typical Roll Cleaning Application

**CLEANER/POLISHER BLOCKS OSCILLATE
BACK AND FORTH ON THE ENTIRE ROLL FACE**

**CLEANER/POLISHER BLOCK TRAVELS
BACK AND FORTH ACROSS THE ENTIRE ROLL FACE**
